# A SECURE, NEXT DAY SERVICE FOR SCOTLAND'S BUSINESS MAIL

## FIRST FOR RELIABILITY

Legal Post is Scotland's premier business mail provider. It was established in 2001 to meet the growing demand from Scotland's legal profession for a **fast, reliable and cost-effective** alternative to existing services. Operating through a network of over 200 secure exchanges, we deliver confidential, time critical mail for more than 2,500 member firms. Our reputation for total reliability and superior customer service has attracted a wide range of new members from other professions including estate agents, banks, building societies, accountants, local authorities and surveyors.

Our HQ offices and sorting office at Dalgety Bay, Fife

## KEEP TRACK OF YOUR MAIL

Every item of mail we handle is important to our customers... and therefore to us. Yet there are occasions when certain key items demand the utmost priority – settlement cheques, title deeds and mortgage papers for example. Our efficient LP Tracker system provides the **extra re-assurances** for Legal Post customers that such specified mail will be tracked right through our sorting offices and then through to the exchange.

We deliver...

We track...

We're trusted...

## SAFE AND SECURE

As the majority of the mail we handle is highly confidential, security is paramount. That's why we have invested in our own fleet of vans and why all our drivers are directly employed by us. To keep mail safe every vehicle in our fleet is fitted with a **comprehensive range of security features** including automatic dead-locks and electronic tracking devices. All our drivers undergo thorough security checks and are also police vetted. We wouldn't have it any other way – and neither should you!

Legal Post customers make significant cost savings when sending business mail as we are typically half the cost of Royal Mail.

## MEMBERSHIP OPTIONS

We offer a range of membership options for our clients. These include Pay as You Go or a Fixed Monthly Fee plan. Whatever membership option you choose, we guarantee **significant cost savings** for your business.

## RELY ON THE EXPERTS

We are trusted by a wide range of professionals to deliver a truly first class business mail service. To find out how your business can benefit from using Legal Post, call us today on **01383 826726**.
