PLANS AND CONSEQUENCES

A new seminar from Derek Hand and Val Clough.

The seminar is interactive with plenty of opportunity to ask questions and engage in discussion. By the end of the seminar you will be confident in advising your clients on dealing with problems thrown up by Level 3 Plans Reports. If rectification is an option you will be able to make the relevant application to the Keeper.

The following topics are covered:

- Level 3 Reports and the different results.
- How to deal with negative answers to reports.
- When is a conflict not a conflict?
- Overlaps and underlaps.
- When is rectification an option?
- How to make a successful application for rectification.

Derek Hand joined First Scottish in 2015, having previously worked for Registers of Scotland since 1983. Derek gained an extensive knowledge of the plans discipline, working closely with both internal and external parties including the Ordnance Survey.

Val Clough worked for Registers of Scotland for over 30 years, latterly as Director of Rectification and Indemnity. She also headed up the Keeper's Legal Policy unit. Val joined First Scottish in 2011.
